YOU'LL FEEL BETTER DEAR—Judy Nelson nurses and comforts Chet Harris in a scene from "The Male Animal." The comedy opens Tuesday evening in the new university Arena Theatre in College Hall.

Seen From All Sides . . .

Tuesday Premiere Scheduled For New BYU Arena Theatre

Arena Theatre is presenting "The Male Animal" from Tuesday to Saturday at 8:15 in 250 Arts Building.

This type of production, which offers ringside seats to the entire audience, is new in the eyes of Brigham Young University Theatre. The acting is done in the middle of the stage and the onlookers watch the show from all sides.

This is the first full-length production BYU has offered of this type, according to Dr. Preston R. Gledhill, director, and will be a new experience for the cast as well as for the audience.

Cast in the leading role of Tommy Turner, the mid-west college professor who just about sees his comfortable job disappear, is Chet Harris. His wife, Ellen, who for a short time is captivated by an ex-boy friend, is portrayed by Claudia Woolston. The muscle-flexing ex-boy friend, Joe Ferguson, is played by Jed Richardson.

Since The Male Animal is not included on the regular activity card, seats are $1 and tickets are being sold in the Smith ticket office and at the door.

The extended play dates are necessary because of the limited seating accommodation of about 70 persons each performance.

Assisting Dr. Gledhill as director is Karen McMillin. Craig Lillywhite is in charge of staging.

Routine Check Set On Pres. Wilkinson

Dr. Ernest L. Wilkinson, Brigham Young University president re-entered Salt Lake City's Latter-day Saint hospital Sunday for a routine checkup.

Pres. Wilkinson, who is recovering from a heart ailment, has been recuperating at his home on campus since Nov. 5.

It is understood he will be in the hospital for several days and that periodic examinations are planned during that time.

He'd been in the LDS hospital since suffering a heart attack early in October at the general conference of the Church of Jesus Christ of Latter-day Saints

BYU Students Warned Of Car 'Snow Orphans'

Provo City ordinance number 97 will be strictly enforced warned Provo Police Chief Jesse Evans.

The ordinance provides that "snow orphans", any vehicle left parked in a public highway or street in the same place continuously for 72 hours, may be removed by the city. The owner will be charged for towing and storing.

The vehicle may be sold at public auction if the owner cannot be located by the police and it is not claimed.

The street department struggles every year with "snow orpans" abandoned on snow-clogged streets.

The city snow plows are forced to detour around the "orphans" and snow is banked in the traffic lane instead of the curb.

Following ordinance 97 procedure, the police may remove the vehicle and send a written notice to the owner, ascertained by the license plates.

If the identity of the owner is not known and the car is not removed from storage in three months, the motor vehicle department is checked to see if the car is stolen.

If the vehicle is still unidentified, notice of impounding is advertised in a newspaper.

After 60 days, uncalled for cars are sold at auction.

BYU Units Asked To Give Concerts In Caroling Shows

Brigham Young University groups are being asked to provide carolers in Provo during the next few weeks.

The Provo Chamber of Commerce is staging a twice-a-week caroling concert downtown on Friday and Saturday afternoons, according to Ted Johnson, student public relations director.

BYU units wishing to provide a caroling unit for 20 minutes of an hour concert are urged to contact Carole Lamb at FRanklin 5-6973.

The caroling, which will be conducted in the park near the Provo Tabernacle, will be each Friday and Saturday from 4 to 5 p. m. until Christmas.

There will be time for about 4 units to participate in each program, Johnson said.

Directory Help Asked

White Key, senior women's service unit, has asked for help in proof-reading the White Key Student Directories.

Women wishing to help should call Joanne Sabin, FR 3-5500, Ext. 512.

Proof-reading the directories will give points to women wanting to join service units.

600 Donor Goal Set In Blood Drive

A QUOTA of 600 pints of blood is the aim of the Brigham Young University Sponsor Corps and AFROTC units this year.

They are seeking pledges Nov. 26, 27 and 28 to donate to the American Red Cross Bloodmobile which will be on campus Dec. 3, 4, 5 and 6.

Sign-up tables will be in the lobbies of the Eyring Science Center and Smith Building at 8 a. m. Nov. 26 stated Sponsor Leona Robinson and Cadet Tom Hanley, co-chairmen of the drive. A sponsor will be at each booth to answer donor's questions.

ACCORDING TO Dr. Kenneth R. Nelson, Medical Director of the Intermountain Regional Blood Center, students under 21 years of age are required to obtain consent from their parents or guardians. Permission slips to be signed will be given at the sign-up tables.

Dr. Nelson said that anyone having jaundice of virus origin may donate for fractionation purposes provided the disease has not been present in the past two years.

BLOOD TO BE used for fractionation separating basic elements is as important as whole blood for transfusion purposes, Dr. Nelson said.

Donors with a history of malaria are acceptable for transfusion service provided no symptoms have appeared during the last two years. Those with a history of malaria with symptoms occuring during the previous two year period but not during the immediate six months period are acceptable for fractionation purposes.

DR. NELSON emphasized that there are no restrictions on diet before or after donating blood. He also said there are no weight restrictions.

All interested in donating are encouraged to come to the bloodmobile and consult the doctor, Dr. Nelson said.

Blood donated on this campus will go to blood banks of Veterans and Military hospitals.

Faculty Pix Needed

All new faculty members, not on campus last year, are asked to call the Brigham Young University Photo Studio to make appointments for the 1957 Banyan pictures.

Faculty are reminded to tell the receptionist making the appointment that the photo is for the Banyan so there will be no charge.

One Of Year's Best . . .

'Friendly Persuasion' Called Warm, Friendly

by Richard Kramer
Daily Universe Movie Critic

WARM, HUMAN emotion makes "The Friendly Persuasion" one of this year's best.

Directed by William Wyler, the picture concerns a Quaker family and their struggle to believe and live their religion.

This film is beautifully picturesque in every detail and makes for excellent viewing but perhaps if an early American Quaker were to see the "luxury" in which this film Quaker family lived he would turn in his grave. It is beautiful but perhaps not altogether realistic when one realizes the suffering most Quaker families endured.

GARY COOPER as the Quaker gives us one of his better performances. Some may think him better than in his Academy Award picture, "High Noon". In the traditional Cooper style he cannot be over-rated.

Dorothy McGuire as his wife is also very charming and gives her role that added touch of characterization.

Many stars as of lately have been misconceptedly billed as "a second James Dean," or "the greatest new star since James Dean." So it is with Anthony Perkins who plays Cooper's movie son.

Undoubtedly Perkins has a great deal of talent and may be as good if not better than the late Dean, but perhaps Perkins would do better without this publicity craze over a dead actor.

ONE VERY touching scene in this movie is when Cooper carries his wounded son from a battlefield during the Civil War.

Marjorie Main as the widow Hepspreadth is a typical 'Ma Kettle" Quaker, but never-theless is hilarious.

This film makes its debut for Provo audiences Thanksgiving day.

Mother May Name New Baby 'Mamie'

Former Brigham Young University Homecoming queen Barbara Benson Walker, Calgary, Canada may name her new daughter after the first lady of the land.

According to Mrs. Walker's parents, Secretary of Agriculture and Mrs. Ezra T. Benson the baby was born on Mrs. Eisenhower's 60th birthday.

Mrs. Walker attended BYU for two years and was Homecoming queen in 1954.

Coed Interview Held Today By N.Y. Editor

Opportunities for cash prizes and guest editorships in New York will be explained to Brigham Young University coeds Tuesday by Deborah Hanson, campus editor for Mademoiselle Magazine.

Miss Hanson will hold a reception for all girls interested in creative writing, journalism, fashions, and art Tuesday from 3 to 4:30 p. m. in Elsie C. Carroll Hall.

The magazine awards 20 guest editorships each year which provide transportation to New York and a salaried month at the magazine offices working with the staff in preparation of the August college issue.

Through the contest, the magazine also chooses its campus board of reporters for each college. Mademoiselle board members at BYU this year are Ruth Anderson, Margaret Hunter, Salt Lake City; Alleen Pace, Provo; Yvonne Romney, Salt Lake City and Karen Brockon Smith, Phoenix, Ariz.

Miss Hanson also will be guest at a faculty luncheon and campus tour, and will interview some leading women students at 9:30 a. m. to obtain information for a report on BYU.

BYU Enrollment Highest In Utah, Survey Discloses

Brigham Young University students outnumber the University of Utah by a mere 78 students.

In a recent survey it was disclosed that the total on-campus enrollment of both colleges differed very little. In the total day-time enrollment BYU greatly outnumbers the U. of U.

For a striking contrast it was also disclosed that BYU has only 263 students enrolled for night classes while the U of U has 1,360.

The survey was successful in showing the rapid growth of college enrollment in all Utah Colleges. The three largest colleges are BYU, U of U and the Utah State Agricultural College with an enrollment of 4,094.

The total Utah colleges enrollment reached 27,419 students in 1956. This shows a decisive gain over last year's number of 26,153. These figures include students enrolled in junior colleges.

BYU still has more women students than the total of the other four-year schools. However the character of campus enrollment is changing since an increase reported this year shows 562 men compared to 299 women.

Thanksgiving Trimmings Should be Kept Simple, Edible Says Home Economist

ST. CHARLES, Ill., (INS)—Keep the garnishes for your holiday turkey simple and preferably edible this year.

They should be part of the "trimmings" that go on everybody's plate at the table and there should be enough to go around for at least the first serving.

That advice comes from Mrs. Kathryn B. Niles, home economics director for the Poultry and Egg National Board which kitchen tests new ideas and recipes for homemakers in cooperation with the industry.

According to Mrs. Niles, garnishes which can't be transferred from platter to individual plate to be eaten right along with turkey "don't belong on a festive table."

Her favorite frame—the word she uses for garnish—is fruit in several combinations. They are: pear halves filled with cherry preserves alternated with canned peach halves, plain or broiled; glazed orange slices separated by canned cranberry gobbler cutouts; lemon cups with currant jelly set on plain, broiled or glazed pineapple slices.

The cooking expert makes only one exception. At Christmas time, she likes to give roast turkeys a "Christmas tree drape." She strings fresh cranberries and popcorn and then either wraps them around drumsticks bracelet fashion or drapes them over plump, brown breasts.

Whetever the garnish, Mrs. Niles urged homemakers to remove them to a handy plate before the carving at the table begins. She said:

"Not even an expert can carve neatly with garnishes on the platter. Even a sprig of parsley is an obstacle."

Diamond Jubilee

by Geraldine Murphowitz

Although mid-terms caused a brief respite in catches and kills for the month, signs are pointing to a bumper crop of victories for LM's and senior women. Beware bachelors.

The season for amorous clutches has only six more months to run, so men keep your eyes on those hungry-eyed freshmen women, and gals, give those senior men an opportunity.

The hierarchy of the local Bachelor's Union revealed recently in an excusive interview that their membership is sadly increasing and more dinner invitations are anxiously awaited.

Plans Formulated For Organization Of Sophomore Men's Service Unit

Plans are being made for a sophomore men's service unit at Brigham Young University.

Unit is to be called Sigma Mu Sigma, and membership will be limited to fifty sophomore men, according to George Hallack, Enterprise, who is heading arrangements.

All men interested in joining the organization are urged to sign a list on the bulletin board in the basement of the Student Service Center as soon as possible, said Hallack.

Sigmu Sigma colors will be blue, white and gold. Emblem of the unit will be a blue torch with five white circles representing the five services—service to God, to school, to class, to fellow man and to self. Torch will have three gold flames representing the 3.0 grade average required for membership.

Uniform is to be white service sweater with torch emblem on the chest, blue tie and dark pants.

Cougars In Spotlight After Cowboy Contest

by Jerry Cunningham

FOR THE SECOND time in three weeks Brigham Young University stole the show from the "football notables" of the Skyline Conference by outplaying powerful Wyoming in a 6-7 losing cause that amounted to a great moral victory for the Cougars.

Utah played well in losing 7-21 to Colorado University, the Orange Bowl contestant who held mighty Oklahoma, first-ranked in the nation, to a one-totchdown advantage.

IN THE ONLY other Skyline affair Saturday, New Mexico overcame a 13-7 Montana lead by scoring a touchdown and conversion in the closing seconds of play to edge the Grizzlies 14-13 in a storybook finish at Albuquerque.

Two weeks ago the underdog Cougars slapped New Mexico down 33-12 in one of the big upsets of the season. After a Denver bombing, the Cats took on Skyline Champion Wyoming, and aside from a conversion, thrashed the Waddies so thoroughly that they'll be lucky to get into the "dust" bowl.

OUT-GAINED in overall yardage, the Cowboys clung on to their one-point advantage largely on the punting strength of Larry Zowada. With seconds left in the game, the Waddies watched a BYU field-goal attempt come within a foot of shattering a perfect 10-0 record.

In Ute Stadium, the Colorado Buffs overcame a first quarter 7-0 Utah lead by scoring early in the second, and from then on it was the Buffs going away. The fighting Indians were overpowered as the statistics indicate, the Buffs driving for 400 yards to Utah's 120.

THE LOBO-Grizzly thriller was climaxed by a fist fight between two enflamed players and resulted in a melee among players, officials and spectators.

It took the officials five minutes to clear the field of several hundred players so that the last 24 seconds of play could be completed.

A long pass from Quarterback Joe Gale to end John Barefoot tied the score at 13 all. Wayne Gares made a successful conversion for the 14-13 New Mexico win.

NEXT WEEK finds Utah State at Utah Thursday in the traditional battle between the Ags and the Utes. On Saturday Colorado A&M goes to Denver for another intra-state clash while the Vandals of Idaho will go to Montana in quest of their third Skyline scalp, and BYU meets the Air Academy at Denver.

Skyline Standings:

New Mexico	2	3	0	.400

Mentor States Fan's Support Of Teams Tops

COACH HAROLD Kopp's rugged features were still marked with a big smile Monday morning as he relived the heart-stopping moments of the Cougar-Wyoming game.

"For the first time this year the team and the student body were going at the same pace," exclaimed the rawboned head man. "A team and a coach could not ask for better support, and finally the team was able to match the fans enthusiasm with success on the gridiron." Coach Kopp went on to say that Brigham Young deserves a good ball club and it may not be too far away.

COACH KOPPS chief lieutenants Tally Stevens, Owen Dixon and Allan Davis were high in their praise of a courageous Cat line which brawled and fought for every foot of turf, successfully putting a damper on Wyoming's touted offense.

Coach Kopp pointed out that Poke quarterback Larry Zowada seemed hesitant at times and somewhat confused by the clawing cat forward wall.

SEVERAL of the Cougars came in for special praise from the coaches, although the entire team performance was one to be proud of.

Jay Weenig, stellar guard of the last three years was the first name mentioned by the pleased coaches. Evidently he has played the last four games with a broken hand. Weenig anchored the Cat line and harassed the Waddie backs all day with his driving tackles.

Dave Hanks, Mart Allred, Lynn Reading and Ray Neel were also lauded for their defensive prowess.

Dick Ralph's controversial field goal attempt also came in for its share of conjecture. According to Coach Kopp it could have been called either way, a fact substantiated by a local banker who caught the ball at the end of its 40 yard flight.
